

# About PA1 and late days

CSEE 4119: Computer Networks  
2015, Wednesday March 4<sup>th</sup>

# Programming Assignment 1

- \* Next week is PA1 due and midterm
  - How do you feel about it?

- How can we be (a) fair, and (b) helpful?

# Introducing the PA1 late days

- \* If you submit by Wednesday 11<sup>th</sup>
  - You get full grades, and consume no late days
- \* If you submit by Thur. 12<sup>th</sup>, Fr.13<sup>th</sup>, or Sat. 14<sup>th</sup>
  - You can use your late days (if you have some)
- \* Otherwise, as long as you submit by Wed. 18<sup>th</sup>
  - You have -5% of this assignment
  - This is the latest submission (1 week, as usual)
- \* So it's like having a very long late day
